Life Members: Please fill out and return the form so it is ensured we have the most current contact information for you.

Any questions may be directed using the contact form on the NYSSA website (www.nyssa.com) If you have any comments or suggestions on the website, please let us know, we are actively soliciting input from the members.

Please be advised that it is imperative that you provide us with a functional email address. Due to the rising cost of printing and postage and as an alternative to raising your membership dues or target fees we will be transitioning much of what we currently mail to you to website email announcements and may not be offering a mail option moving forward. If you do not provided an email address you will need to check the NYSSA website periodically for items such as membership renewal, shoot dates and Records Annual We are also planning on emailing membership confirmation in lieu of a "paid" sticker where possible this year to mitigate costs.

Also, as a reminder, "Residents of a state or territory must be members in good standing of their own state or territorial association before they can register targets shot in that state" (NSSA II-A-8-A). It is your responsibility to ensure your membership is current and your dues are paid before registering targets in NYS every year. Failure to do so may lead to your suspension from NYSSA and the loss of your ability to register targets in the case repeated violations.

Hello Fellow Shooters

Hope all is well, it is that time of year again for our dues renewal, please note we are updating our records and it is essential that you please provide your latest email address. With the escalating print and postage costs for both dues renewal and records annual it is the intent of the EC to migrate to digital media through our website with downloadable and printable forms through 2018 and the future moving forward.

This will also enable us to communicate with all our members throughout the year with any updates and shoot reminder emails. Please make every effort to update the required information on your renewal.

Executive Committee News

I would like to welcome 3 new members to our EC:

Secretary / Treasurer Ian Smingler
Zone 3 Director David Cooley
At Large David Collins

We look forward to your valuable input as we move through these changes so please feel free to contact your Zone representative, anyone on the EC, or send an email to the State website.

Respectfully Yours

Dave Sobiegray
