

**BOYD/EVANS MEMORIAL CANCER SHOOT
SKEET AND TRAP SHOOTING EVENT**

August 28, 2018

NYSSA

Dear Dave, Ian, Members,

I want to share an amazing story with you today. In 2013 members of the Cooperstown Sportsmen's Association began what has become an annual fundraising event to raise money to find a cure for cancer. The event this year was held in early July and raised over \$7,500. Through your kind generosity and continued support a total exceeding \$38,500 has been raised over the past six years and donated to the Otsego County Relay for Life.

It is very rewarding to be part of a caring community that is making an impact in our world as we remember those who have passed from cancer, celebrate the survivors among us, and hope a cure is within reach.

You are part of that hope. Thank you.

Sincerely,

Joyce L. Boyd
Chair
