RE: 2019 Memorial Cancer Shoot

Dear Dave and Friends:

Once again we thank you for joining us in the fight against cancer, a disease we need to conquer. The 2019 Cancer Memorial Shoot was held in July. The event raised over \$7000 to support research efforts of the American Cancer Society. Your part in our success was huge! Thank you for your continued support and for placing our ad in the Annual.

Together we WILL make a difference!

With appreciation,

Joyce L. Boyd
